

Retrospect is the poetry of human life.

Play for Sydney?

OK

I'm sorry I startled you.

Pardon?

Well, I fell asleep on your bed in the next room; then someone knocked on the door. So, I came and hid in the cupboard.

Hid?

Just to protect you.

What were you doing in my bedroom?

Don't you remember?

Now, don't put it on that basis.

(dramatically) You don't remember? And after all your promises.

Now, listen. I don't know you.

Then why do you think I'm here?

How did you get here?

O: But what?

Well—

Well, if you'll excuse me, I'm going to take a bath.

Go ahead. Don't mind me.

What are you doing in my cabin in the ??

Do you want the whole truth?

~~{xxx}~~

Tell me some other time. I have an important conference in a half hour. So if you'll go to your cabin, we can discuss it later.

But I have no cabin.

Then you'll have to find one. I have some people coming here in half and hour.

That will be all right. I can hide in the next room.

That's what I should like to know. I must have been drugged or something.

I never drugged you!

I'm not saying you did. But

Well, that's mighty white of you... so if you'll excuse me. I'm going to take a bath.

Oh, yes, go ahead. Don't mind me.

So if you don't mind going to your own cabin, I might see you later on.

I'm sorry. I have no cabin.

I'm sorry, too. But I have a very important conference.

That's all right. I can hide in the next room.

But that's my bedroom.

[xxx] Well... They won't go into your bedroom.

And I don't want you going into my bedroom.

You didn't feel that way about it last night.

What is this, blackmail?

Now if you'll just relax for five minutes. I'll tell you what the situation is.

But I have an important conference in twenty minutes.

That's all right. You go ahead and take a bath and I'll explain everything.

I'll not take a bath till you leave the room. ~~{xxx}~~

I'm sorry that I'll have to stay here (She starts taking off her clothes)

(Threatening) You keep your clothes on.

No. I'm going to take them off. You won't listen.

He starts to chase her, when a knock comes at the door.
