

Biography notes

You'll never know
You'll never know
How much I love you
You'll never know
You'll never know
How much I love you so.
Sometimes the days are dreamy
And dark clouds hide the blue
But when your smile is cheery
Then the sun breaks through
As you come down the valley, love
Sometimes your smile is weary
And gray clouds hide the blue
But when your smile is cheery
That's when the sun breaks through.
I'll never know
I'll never know
Your tenderness
I'll never know
I'll never know
What heavenly bliss is

~~We met but once and then~~
~~We'll never meet again~~

~~Fate played a dark part~~
~~We'll never meet again~~
~~Fate has no heart no heart~~

We met but once and then
Fate played a cruel part
For we'll never meet again
Fate has no heart, no heart!
You'll never know
You'll never know
How much I loved you
You'll never know
You'll never know
How much I loved you so

Since you went away
That's all I can say
How much I miss you

Sometimes I'm blue
Alone in some café
I hear a radio [?] play
Just what/ The very thing I'd like to say
Concerning [?] you

Through the trees I see the moon
~~Sometimes I hear an old familiar tune~~
Or hear an old familiar tune
