

X. [Comedy/Humor]

Humor is the sublime wisdom of pity and tolerance in which man recognizes the utter futility of his own enterprise and importance.

Humor is a sublime wisdom that inspires kindness, pity, and tolerance.

Humor is a sublime wisdom in which is the essence of kindness, pity and tolerance, a wisdom that recognizes the folly of others that it knows is within ourselves. We recognize the folly in others that we know is in ourselves. It is man's recognition of the utter futility of his enterprise and own importance. Its essence is courage. Its mission is sanity, the tried and true measure of the importance of things.

Notes-ideas

C. C. coming down elevator inadvertently gets his finger caught in the nozzle of a fire hose and has to drag the fire hose through the building to the street to a hardware shop to get the nozzle sawed off.

The owner of the building traces him to the store, and accuses him of running off with the hose.

CC gets into taxi gathering the hose in after him.

Has difficulty in paying driver because his money is in the wrong pocket of his trousers.

Tells driver to feel in his pocket. As driver does so, a policeman walks by and looks suspiciously at both of them. The driver accidentally tickles him and C. C. looks at him indignantly.

Wit is the light of sagacity

Humor is sagacity that even discerned the concealed folly
of its own wisdom.

Humor is that cheerful sagacity that even discerns the
folly of its own wisdom.

Humor is the kind brother of wit, perhaps not as sagacious,
but more wise and penetrating.

no good trying to help him
giving away all his money
work
dream
couldn't remember his good collar
would see the agents every morning
at least he has got a date
rehearses. Great enthusiasm about his comeback.

Notes

His small talent weighs heavy on his shoulders.

His ego weighs heavy on his small talent

Art in the theatre is emotion, beautifully and subtly contained.

You got to know what the public wants. Personally, I know what they don't want. The highest form of.

Humor is that cheerful sagacity of knowing the folly of its own wisdom.

Humor is the height of sagacity.

It can even discern the folly of its own wisdom.
