

This is a dance number. It seems that the piece has difficulty getting started, perhaps due to the double dry [xxx]

The night I stood near you,

Perfume was in the air,

Your silence was everywhere,

For all nature was you.

The stars held your [xxx]

The moon held your tears.

The perfume of jasmine,

Came through the air,

You turned and smiled

You turned with a glance

And in your eyes I saw the light of love

And knew the secret of the stars

And my heart reached out

And you melted in my arms.
