

Who swore by the stars above
That I was the only girl
In his life
And that he adored me ere
More than his wife
That's why I don't want to fall
In love I don't want to fall in love

I fell in love with a handsome man
Who swore by the stars above
That I was the only girl in his life
And that he loved me even more than his wife
So I don't want to fall in love
I don't want to fall in love

I know despair
Misery and pain
And now I'm falling in love again
I don't want to fall in love
As I've done many times before
~~that's but a snare, a delusion~~

That's just a snare, a delusion to me
